PREFACE

This volume contains supplementary genealogical material that fills some gaps in the 1915 Memoir and extends to 1962 information about many of the descendants of Simon Huntington and his wife Margaret Barret (or Baret as it is spelled in the 1915 book).

The material that follows, which does not repeat what is given in the 1915 Memoir, comes from three principal sources. One is data compiled between about 1922 and 1942 by the Huntington Family's Historian, Miss Frances Isabel Huntington (1865-1950). It came from letters of individuals, birth, marriage and obituary notices; correspondence with county clerks and veterans' organizations. She searched official records of Michigan and New Jersey also. The second source is the 169 replies to a questionnaire distributed to members of the Family Association by Dr. James L. Huntington and Charles Huntington Smith in 1942. While Honorary President of the Association in the forties Dr. Huntington contributed to the historical files and continued to be their overseer until 1957 when other interests claimed his entire attention. Thirdly, as source material, are completed pedigree forms distributed in 1961 to Association members and others requesting them. Andrew Sherwood Huntington, Southport, Conn., developed and initiated this form with tremendous help from Mrs. Katharine Huntington Annin, then Secretary-Treasurer of the Association, and H. Minot Pitman's advice.

Previous Huntington genealogical volumes are:

Genealogical Memoir of the Huntington Family in this Country, compiled and published in 1863 by Rev. E. B. Huntington, Stamford, Conn. Its subtitle is "Embracing all the known descendants of Simon and Margaret Huntington who have retained the family name and the first generation of the descendants of other names." There are in it 3,277 persons listed by name with sketches of many. *The Huntington Family in America,* "a genealogical memoir of the known descendants of Simon Huntington from 1633 to 1915," published in 1915, Hartford, Conn. by the Huntington Family Association. Samuel Gladding Huntington of Hartford began it in 1907; its completion is credited to Richard Thomas Huntington and Samuel Huntington of Plainfield, N. J. It contains all told 1,205 pages, of which 137 are the index. Incorporated in this volume is material in the 1863 Memoir.

Both of these volumes are out of print. Their publication was financed by advance subscriptions and the Association.

Periodically efforts have been made to learn, through professional genealogists in England, more of Margaret Barret's forebears. Recent explorations by Anthony R. Wagner, Esq., C.V.O., D.Litt., Richmond Herald, failed to produce convincing evidence of her lineage. Worth mention are the notations reported by Frances I. Huntington at the Reunion in 1927, namely the baptism of Margaret Barret, daughter of Christopher Barret, mayor in 1634 and 1648, in St. Andrew's Parish register, Norwich, England, September 29, 1595, the year her father bought land in that parish. In the same parish records are the following:

1623, May 11, Simonde Huntingtonne and Margaret Barret, married.

1624, July 25, born, Christopher, son of Simond Huntington.

In the parish of St. Simon and Jude,

1627, September 9, Ann, daughter of Symond Huntington was baptised.

1629, July 6, Simon, son of Mr. Huntington was baptised.

These findings came from Rev. Henry Strong Huntington. Doubt has been cast

by respected genealogists about the authenticity of the pedigree of Simon, husband of Margaret Barret, attributed to Gustav Anjou that appears in the 1915 Memoir.

We are indebted to Mr. McClure Howland for the following concerning Margaret Barret, taken from *Suffolk Manorial Families* Vol. 2, page 160: "John Barrett of Blythborough is mentioned in the will of Geffrey Barrett of Halesworth, proved July 18, 1487, his son.

William Barrett of Westhall married Margaret Love, their son

William Barrett of Westhall married Margaret Wingfeilde, their son

Christopher, who was baptised at Westhall 1562 went to Norwich with his father-in-law, married Elizabeth, daughter of Allen Clarke of Hebberstow. His will was proved in Bishop's Court, August 22, 1649. His daughter married Simon Huntington, who took her to New England."

To each person who completed a genealogical form or sent a news clipping for this supplement there is due a thankful acknowledgment since each is a contributing author. This volume quoting only the new material that has become available picks up where the 1915 volume left off. As these items must be coordinated and linked to other material the editor's task is Herculean and essential. Wilbur J. Huntington, Bedford Hills, N. Y., (1.3.10.2.3.5.5.1.1.) accepted this task and to him go the sincere thanks of all of us who have an interest and stake in the continuing documentation of our family relationships and predecessors. He has accomplished what several experts in genealogy believed impossible. Encouragement and moral support have been given him by John Mason Gilchrist, President of the Association from 1957 to 1962, and Mrs. Katharine Huntington Annin, our capable and faithful Secretary-Treasurer from 1952 to 1962.

Let us remember that every effort has been made to produce a correct and authentic volume. Some errors are bound to occur. When these are discovered, it is earnestly requested that the correct information be sent to the historian of the Association.

The Huntington Family Association

Since the Huntington family is unusual in having formed an association, its history is given here.

A meeting of Huntington kinsmen occurred on September 3, 1857 in Norwich, Connecticut, as a result of plans made in the previous December by "several gentlemen of the Huntington name." An organization took shape from the gathering at the First Church in Norwichtown—estimated as not far from 500—to conduct and record the day's program. The stated purpose of this meeting was for "grateful celebration of the precious memory of our departed, and in joyous congratulation with each other, over the past history and the present honorable position of the family whose name we bear." Two things emerged from that reunion, namely, appointment of a committee of three to cooperate with Rev. E. B. Huntington in publishing the family history including raising funds for the purpose; and a resolution to meet again in 50 years.

According to plan, on September 3, 1907, a Huntington meeting took place in Norwichtown, though two interim reunions of some branches of the family were held at Amesbury, Mass. In 1907 an Executive Committee was set up to attend, until the next reunion in 1912, to affairs of the Association formed then. A more formal structure of the Association was created at the 1912 Reunion, when a constitution was adopted. It appears elsewhere as amended by subsequent reunions.

In 1922, 1927 and 1937 there were reunions in Norwichtown. These are documented by two volumes of proceedings—paper covered—compiled and copyrighted by Dr. James L. Huntington. They each contain a necrology that gives name, date and place of death, with cross reference to page of the 1915 Memoir. Printed by Geo. H. Ellis Co., Boston, Mass. they are;

Fourth and Fifth Reunions of the Huntington Family. 1927

Sixth Reunion of the Huntington Family. 1938.

A publication of special interest to Huntingtons and other families of New England origin is the book, *After Three Centuries* by Ellsworth Huntington and Martha Ragsdale, whose issuance was a venture of the Association. From a prospectus given at the 1927 reunion, it materialized in 1935. It is an original study in sociology, supervised by a Committee of the National Research Council that included such distinguished scientists as Vernon L. Kellogg, Raymond E. Pearl and Edward L. Thorndike, plus the book's senior author.

Because of World War II, no reunion was held in 1942. A membership list, geographic and alphabetic, was published that year by Secretary Christopher Huntington in Cambridge, Mass. In 1947, as if to compensate for the lapse, a gala gathering came off at Hadley, Mass., under Dr. James L. Huntington's direction and hosting. It represented the end of an era because of the death in October 1947 of Professor Ellsworth Huntington. He was president of the Association from 1937 to 1947 and, as sparkplug of meetings from 1912 onward, gave the Association scientific as well as social impetus.

In 1952, 1954, 1959 and 1962 there were reunions, all in Norwichtown except for 1954 when Chicago was the meeting place. Proceedings of the 1952 and 1957 reunions are available in processed form (25c each for mailing) from the Secretary-Treasurer of the Association. Only in the Association's *Newsletter*, which commenced in 1948, as a means of sustaining interest in the family at large, are the 1954, 1959 and 1962 gatherings documented.

The Huntington Family has spread over the years throughout our country. While we are giving credit to our cousins in the east, James Lincoln, Ellsworth, Christopher and others, we should not forget those who moved toward the west. By studying our book we can trace families who started from our home town of Norwich, Conn., moved first to the middle west and eventually settled in Washington and Oregon. Our western cousins celebrated the 100th anniversary of this in August 1949, when they held a family reunion at Lake Sacajawea Park. They put out a very elaborate folder which is too large to quote in full but it contains reproductions of 12 of the Huntingtons who emigrated to the west in 1847 and 1849. These were copied by Irving Noyes Huntington from old tin-types and show the sturdy type of which the Huntingtons are made. A Pioneer Marker was given to the City of Longview by the Cowlitz Huntingtons and dedicated August 14th, 1949. The folder was prepared and the art work done by Margaret Hull Huntington, who was chairman of the Centennial Committee.

Let us look upon this supplement as another landmark in the on-going saga of a notable family whose tradition of individual and community service is an inspiration and stimulus. As an emblem of unity and perseverance its significance transcends the obvious one of ancestor worship.

CONSTITUTION

of the

Huntington Family Association

Adopted at the Third Reunion, Norwichtown, Connecticut,
September 7, 1912.

ARTICLE I

Name

The name of this organization shall be the Huntington Family Association.

ARTICLE II

Object

The object of the Association shall be to promote fellowship among the descendants of the Huntington settlers in America; to help one another in living up to the best that has come down from our ancestors; and to collect and preserve the records and traditions of the Huntington family.

ARTICLE III

Membership

Membership in the Association shall be open to any descendant of Simon Huntington and Margaret Baret, to any other person bearing the name of Huntington who shall be approved by a unanimous vote of the Executive Committee, and to the husband and wife of any of the persons above mentioned.

At the 1962 Reunion this Article was amended by the addition of Section 2, as follows: Any other person may become an associate member upon unanimous approval of the Executive Committee. Associate members shall have all of the privileges of membership except that they shall not be entitled to vote or to hold office.

ARTICLE IV

Dues

Section 1. Each member of the Association shall pay to the Secretary-Treasurer an initiation fee of one dollar, and a membership fee of one dollar at the beginning of every second year beginning with the year of initiation.

In 1947 this was amended to make the initiation fee $2.00 and the membership fee $2.00, the latter payable every year, beginning with the year of initiation.

In 1957 it was further changed to eliminate the initiation fee, to provide for a family (household) membership at $5.00 to include husband, wife and children under 20 years of age.

Section 2. Membership in the Association shall lapse unless the payment is made within six months of the time when notice that the fee is due is sent out by the Secretary, but may be restored by vote of the Executive Committee on the payment of back dues.

Section 3. The payment of ten dollars at one time shall constitute the payer a life member, not subject to the payment of future dues. The income only of life membership fees shall be used for current expenses of the Association.

In 1947 the last sentence was deleted so as to permit the Executive Committee to do what it deems best with the money. Also the life membership payment was raised to $25.00. In 1957 this fee was changed to $35.00 and the

provision made that members who had paid annual dues for 20 years were automatically made life members and relieved of payment of future dues.

Section 4. Added in 1962. Each associate member shall pay an annual membership fee of $3.00.

ARTICLE V

Reunions

Reunions shall be held once in five years, at a time and place to be designated by the Executive Committee.

ARTICLE VI

Officers

Section 1. The officers of the Association shall be a President, a first, a second and a third Vice President, a Secretary-Treasurer and an Historian, whose duties shall be those which ordinarily appertain to these offices.

Section 2. Election of officers shall be by ballot, and the candidate receiving the higher number of votes for each office shall be declared elected.

Section 3. It shall be the duty of a nominating convention of three members appointed by the Executive Committee, to furnish to the Secretary a written list of one or more candidates for each office. Nomination of candidates for office may also be made by any member of the Association, provided such nominations be submitted in writing to the Secretary before the time of election. It shall be the duty of the Secretary to present to the Association a list of all the candidates nominated for office, whereupon officers shall be elected in the manner prescribed by Section 2 of this Article.

Section 4. In case any office becomes vacant by death or otherwise, the Executive Committee shall have power to fill it.

ARTICLE VII

Executive Committee

The affairs of the Association shall be entrusted to an Executive Committee, consisting of the officers already named. This committee shall meet at the call of the President or Secretary. It shall have full power in all respects during the interval between reunions, except that it shall not incur indebtedness in excess of the receipts from fees or other sources, nor shall it pledge the Association to any new policies without the vote of the Association.

ARTICLE VIII

This Constitution may be amended by a majority vote of the members present at any Reunion.

This Supplement to the Memoir was collected and published during the administrations of these officers.

HUNTINGTON HYMN

Words by Julia Huntington James *Music by Robert Huntington Terry* 1927
or tune St. Anne

We've met in love and gladness here,
Upon this festal day;
'Tis hallowed ground to all most dear,
Though dwellers far away.

The spot where once our fathers dwelt,
To us should sacred be;
At the same altars where they knelt,
Let us, too, bend the knee.

From North, from South, from East and West
A kindred band we come,
With God's own favors richly blest,
To our ancestral home.

Then let our grateful thanks ascend
For all the mercies given;
And let our hearts and voices blend
In joyous song to Heaven.

Do the blest spirits of our sires
Look down upon us now?
Then, with the strength such thought inspires
We'll breathe a fervent vow,—

By the pure fame our fathers gained,
For honest deeds well done,
To future years we'll bear unstained
The name of Huntington.

Thomas Huntington, . . .

While recent investigations have established the dates of birth of Christopher, Ann and Simon, the same records do not give the date of Thomas.

Jasper Crane, mentioned on page 1018 was a nephew of Margaret Crane who married July 6, 1567, Samuel Huntington who was born March 2, 1545 and brother of George Huntington born January 9, 1530.

The will of John Ward, Sr., mentions "wife, Hannah, widow of Thomas Huntington" dated October 30, 1694.

Thomas Huntington is probably the Thomas Huntington mentioned in land descriptions in deeds of land bordering his property, March 15, 1693; June 5, 1696; May 1, 1697.

It may have been his widow, Susanna Huntington, who married April 20, 1747, Samuel Sweasey, Justice of Roxbury. She died November 3, 1776 in Mendham, N. J.

Simon Huntington, born in 1686 in Newark, N. J., . . .

His record and that of his son, John, seem to fit with that of the Huntington **B. 4.** on page 1039. We have reports from descendants and other similarities that tie the two families together. In both cases they lived near Morristown, N. J., owned land that contained iron and operated a forge and the names of the children are similar. We have therefor combined the records and adjusted the key numbers.

He married for probably his second wife, Thankful — —, who was born in 1708 and died April 23, 1774. He died July 17, 1770 and she married June 25, 1772 a Joseph Cathcart according to the records of the First Church of Morristown, N. J.
